Volunteer Opportunities:

Fundraising: In order for our club to keep registration costs to a minimum, there are a number of fundraising activities that the club organizes. While not mandatory, it is expected that families will make the effort to contribute to one or more of these fundraising campaigns. Please expect within the first few weeks of lessons to receive information about these efforts. Your contributions are gratefully acknowledged and appreciated.

Carnival: Our club holds a carnival every year to showcase the talents and skills of our young skaters. This event requires volunteers for everything from running spotlights to sewing costumes to selling programs. There are many ways to be involved in this fun event. Organization begins early in November. Watch for the sign up sheets on the bulletin boards in the rink.

Music: As the skaters advance to higher levels the coaches require volunteers to “DJ the sound booth”. Each skater requires a parent volunteer to fulfill this weekly/bi-weekly duty. Don’t worry, this is not difficult and you will be trained. The music committee will be in contact with you.
